Semester 1 Report Cards can be viewed on SIS Do You Monitor Your Child on SIS?

PRINCIPAL'S MESSAGE

This month, as we began the second half of the school year, more students are, once again, registered to attend school on campus rather than in distance learning, signaling strong confidence in our campuses as safe for in-person instruction. Parents, as the scaling distribution of vaccines gives a new reason for hope, please know that we continue to follow health protocols on all District properties. Now is not the time to let your guard down when it comes to health-related precautions such as social distancing and the wearing of facial coverings.

February is Black History Month, an opportunity to reflect on the movements and people who pushed conversations forward. Thursday, **February 18 at 6:00 p.m.**, the monthly lecture series [Our History, Our Culture](#) speaks to the Great Civilizations of Africa, presented by the Department of African, African American, Latino, Holocaust, and Gender Studies. It is critical that all families have the opportunity to access resources to understand sensitive topics on race, racism, and social justice.

Parents and students should continue to remain fully aware of the latest District updates regarding important information:

- ❖ The School District of Palm Beach County School Board approved the [academic calendar](#) for the 2021-2022 school year during a special meeting on February 3. According to the calendar, the first day of school will be August 10, 2021, with the last day of the school year as May 26, 2022.

REMINDER - Parents, if you, your child, or anyone in your home is not feeling well, please consider keeping your child home until everyone feels better or has been COVID-tested with a negative result.

Do You Have a Transcript Request?

Chargers, Grades 9-12: Attention, if you need to request a transcript for a summer program, scholarship, or college please use this [Transcript Request Form](#).

Here are the Guidelines for Requesting your Transcript:

- ❖ The form can only be opened from your student email.
- ❖ It is recommended to order your transcript two weeks prior to your deadline.
- ❖ If you are not using this transcript to apply to college, select "Transcript as a PDF for your viewing or upload."
- ❖ **Transcripts cost \$3.** In the transcript request form you will be directed to pay on SchoolCash Online. After you pay for your transcript, you will receive a receipt of payment on the screen. **Take a screenshot/save that image and upload it in the transcript request form.** If you qualify for free or reduced lunch, you should upload your confirmation letter from the Meal Department in the [Transcript Request Form](#) instead of going to SchoolCash Online to pay.
- ❖ The last question will be a confirmation. For example, if you requested a PDF of your transcript, do you want that copy emailed to you or a third party? If so, please enter the specific email of the transcript recipient.
- ❖ Double check everything, errors could cause a delay in your transcript being sent.

A MESSAGE FROM OUR SCHOOL NURSE

COVID-19 Reminders!

If your student:

- develops one or more symptoms of COVID-19
- has tested positive for COVID-19
- is exposed to someone in the home who has tested positive
- knows/believes they may have had close contact with someone outside the home who has tested positive

PLEASE, contact the school right away!

The student should remain home and attend virtually until you have been advised about next steps by either the school administration or the Department of Health.

In every situation noted above there are several factors that will determine when a student may return to campus and/or campus activities. The CDC guidelines regarding return to school after an exposure have changed and may be less than 14 days if certain criteria are met. In the case of a confirmed exposure or positive test, the Department of Health will make the determination as to when that return is safe. If you have any questions about this process you may contact me, or the DOH directly at (561) 671-4184.

Thank you for your continued diligence!
